

Welcome to UKCOTS

13-14 June 2024

University of Manchester

Contents

- Jamie Sergeant: the boring bit
- Neil Sheldon: the reflective bit
- Rachel Hilliam: the inspirational bit

UKCOTS: *Teaching Statistics in HE, across all disciplines*

- ICOTS, USCOTS, OZCOTS... why not UKCOTS?
 - ICOTS-1 was in Sheffield (1982)
- UKCOTS could help us to
 - Share experiences
 - Learn from each other
 - Foster links between disciplines
 - Build the UK stats education community

UKCOTS: *Teaching Statistics in HE, across all disciplines*

- Organised by the RSS Teaching Statistics Section
- Focus on HE
- Includes the Burwalls annual conference
 - Burwalls: A network for Teachers of Statistics in the Health and Life Sciences

Conference committee

Speed Networking

UKCOTS 2024

Researchers of Statistics
Education Network
www.rose-network.org

Changes to this lunchtime's speed networking session:

- 1) It will now begin at 13:20, **20 minutes later than scheduled** (to allow you time to grab some lunch)
- 2) If you're planning on attending, **please RSVP** via the link/QR code

See the conference abstract for general information about the session.

RSVP: bit.ly/ukcots_speed_networking

Conference socials

- Last night:
Pre-conference social at Kro
- Tonight:
Not-conference-dinner at
Mackie Mayor

Enjoy the conference

... and tell us what you think
